Angel loves his family, video games, fun socks, and french fries.

Angel is hardworking, intentional, creative, and not afraid to fail. Angel is a problem-solver and has a passion for finding solutions and sharing them with others. We asked Angel a few questions to get to know him better, and here is what he had to share.

If you could do another job for just one day, what would it be?

Mixologist at a fancy place. There is something satisfying about getting all the flavors just right and creating a cocktail someone can really enjoy.

People would be surprised to know:

I'm almost always wearing fun socks.

What is your personal motto or mantra?

Don't be afraid to fail. Cautious maybe, but not afraid.

What is one thing you cannot resist?

French fries!

Do you have a hobby?

I have a few, but video games are definitely at the top of that list! Any and all; there are very few genres I don't enjoy.
