If you could do another job for just one day, what would it be?

I would love love to be a professional dancer. So much can be expressed through dance.

People would be surprised to know:

I got my motorcycle license right before getting pregnant with my first child. I have yet to own a motorcycle, but one day...

What do you enjoy outside of work?

I have a LOT of hobbies! It depends on the season: summer – gardening, fall – cooking/baking, winter – hibernating, spring – wishing ticks weren't ever created!

Where is the best place you have traveled and why?

My family did an 18 state tour over 28 days in an RV. Hands down best vacation ever with memories that will last a lifetime. The Grand Canyon was definitely one of the favorite spots - there are no words to describe the magnificence.

Which country do you want to visit and why?

Poland and Ireland because my family and my husband's family are from there.
