#### **Do you have a hobby? If so, what do you enjoy?**

I love playing sports – but they are getting harder to play the older I get!

#### **If you could do another job for just one day, what would it be?**

I would love to be a travelling food critic. That would allow me take part in two of my favorite things every day!

#### **Where is the best place you have travelled and why?**

This is a hard one because every place is appealing for different reasons, but my trip through Cambodia encompassed good food, great culture, kind and generous people along with fascinating historical places to visit.

#### **People would be surprised to know:**

Being a tax accountant doesn't mean you have to be boring!

#### **What do you like best about working with Dillon Business Advisors?**

I work with amazing, hard working folks that all want to serve our clients to the best of their ability AND have a full life outside of work as well.

I love being around family and friends – wherever that might be.
