If you could do another job for just one day, what would it be?

I'd love to be an astronaut on a lunar mission.

Where is your favorite place to be?

Hard to pick one...with my wife driving in a convertible on Highway 1, at a Spring Training Astros baseball game, or on a plane headed some place I've never been.

What challenges you personally?

Being stagnant or not growing in my faith. I am always striving to be a better husband, dad, son, uncle, and friend.

What is your best business advisory related tip?

Build a network of high character people.

What is one accomplishment you are most proud of?

Raising our daughter, Madeline, alongside my wife, Lisa. Madeline is our pride and joy.
