Celeste loves her family, the beach, working out, and being the best version of herself that she can be!

Celeste Velasquez is determined, strong, and a "go-getter." We asked Celeste a few questions to get to know her better, and here is what she had to share.

#### **If you could do another job for just one day, what would it be?**

I would be Detective Olivia Benson from the show Law & Order SVU. Although she is a fictional character, she is still a great leader, and I love how dedicated, courageous, and compassionate she can be. Plus, I love anything and everything crime related. She is the perfect example of a strong woman!

#### **What is one accomplishment you are most proud of?**

I am most proud of going back to college and showing my kids that with determination and perseverance it is never too late to accomplish your goals!

#### **What is your favorite genre of music?**

I love anything 90's.

#### **People would be surprised to know:**

I won the school spelling bee when I was in 5th grade.

#### **Where is the best place you have traveled?**

My favorite vacation spot would be Destin, Florida. The water and beaches are so beautiful, and there is so much to do with your family.

#### **What is your personal motto or mantra?**

I live by two: "A smooth sea never made a skilled sailor," and "You are the author of your own book. Only you determine what can and cannot happen."
