If you could do another job for just one day, what would it be?

I would love to be a boutique clothing store owner. I really enjoy boutique clothes and love the back-end of owning a store.

Where is your favorite place to be?

I'm a homebody naturally, so I love being with my husband and son and just relaxing at home.

What do you enjoy outside of work?

I love to bake and cook. I grew up with my mom baking all the time and my dad cooking, so I learned a lot from both of them. I've recently been really into sourdough and making lots of different treats with it.

Where is the best place you have traveled and why?

Hawaii has been my favorite place I've traveled. I love visiting because we usually go with my whole family and stay for at least 10 days. We like to stay in rental houses and really be immersed in the culture there. Some things we love to do while there is eat lots of yummy food, hike and lots of paddle boarding.

What challenges you personally?

Getting out of my comfort zone. I love my little box, and I like to stay in it, so anytime I am put in a position to go outside of my comfort zone, that is always a challenge.
