What do you like best about working with Dillon Business Advisors?

The leadership doesn't just say that they want their team to have balanced and full lives outside of work, they mean it.

If you could do another job for just one day, what would it be?

I would love to be a librarian for a day. Reading and sharing books with others have always been passions of mine.

Where is your favorite place to be?

On my back patio watching my kids play

What is one thing you cannot resist?

Mexican food. I could eat chips, salsa, and queso all day, everyday.

Where is the best place you have traveled?

I love our trips to Napa! Nothing is more relaxing than a glass of wine among the vines.

People would be surprised to know:

I grew up on a small ranch. I was in 4-H and showed sheep & heifers. It was rewarding, and I learned what hard work was at a young age.
